

## ***Field Technicians***

Shamrock Environmental Corporation has immediate needs in the WVA and PA area.

This position requires strong attention to detail, visual observation, and proper use of time and equipment. Must demonstrate the ability to learn in a fast paced environment and be willing to work safely, for long irregular hours on consecutive days, especially in peak production cycles or emergency situations. A mechanical aptitude is desirable, along with a desire for advancement. Only qualified candidates, that possess a clear valid license, will be considered for these positions.

### **ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Operate and maintain mechanical screening devices
- Operation of vacuum trucks
- Collect, and perform jar tests on samples following approved protocols and prepare treatment strategy for each sample
- Perform confined space entry as required
- Talk with customers in a professional and helpful manner
- Heavy lifting and pulling
- Work in a safe and efficient manner
- Efficiently manage the daily outbound trucks and report(s)
- Perform all other duties outside of the general description as required
- Physical demands include, but are not limited to: standing for long periods, sitting, walking, carrying, lifting, pushing/pulling, bending, reaching/handling, twisting, and climbing.

### **QUALIFICATIONS AND REQUIREMENTS:**

An individual must be able to perform each essential duty satisfactorily and in a timely manner. The requirements listed below are representative of the knowledge, skill set, and/or ability required.

### **EDUCATION AND EXPERIENCE:**

This position requires a High School Diploma or equivalent. Experience with RCRA, TSCA, CWA, and DOT regulations, hazardous or solid waste industry experience and current RCRA and HAZWOPER training is preferred. CDL A with endorsements a plus!

### **LANGUAGE SKILLS:**

- Ability to read and interpret documents such as safety rules, technical procedures, and governmental regulations
- Write routine reports and correspondence
- Ability to speak effectively before groups of customers and/or employees of an organization

**REASONING ABILITY:**

- Ability to prioritize and apply common sense to carry out instructions furnished in written, oral, or diagram form
- Ability to deal with and solve practical problems

**WORK ENVIRONMENT:**

The work environment characteristics described are representative of those an employee encounters while performing the essential functions of this position:

- May include exposure to chemicals with use of a respirator and occlusive protective clothing
- Working outdoors in extreme temperatures
- Climbing stairs and ladders for long periods, for consecutive days
- Moderate noise level
